

1. Business activity

Allega GmbH, founded in 1933 by Alusuisse, was the first trading house for semi-finished aluminium products in Switzerland. Today, Allega GmbH is an ALUM-FASSIVE service centre for **aluminium, facades** and **vehicle superstructures**. (cf. [Über uns – ALLEGA](#))

Through a comprehensive range of services related to aluminum, Allega GmbH offers added value and benefits to its customers.

Allega GmbH's customers benefit from:

- Personal commitment to top service of a wide and deep product range (sheets, plates, profiles, bars, tubes, facade panels and vehicle superstructures) tailored to your needs
Direct access to the largest plate inventory in Switzerland
- Access to specific expertise in aluminum for technical advice and support
- Our international network of aluminum semi-finished product manufacturers
- A service and service offering tailored to their needs in the areas of:
 - E-commerce / EDI connection (online shop, B2B connections)
 - Aluminium processing
 - Logistics

2. Mission statement

Our market performance and customer orientation: Allega GmbH aims to maintain its long-term, sustainable and profitable position as the leading service centre for aluminium, facades and vehicle superstructures in Switzerland.

Our employee orientation: Allega GmbH is characterised by above-average commitment and entrepreneurial thinking and action.

Our environmental, health and safety orientation: Allega GmbH is committed to playing a leading role in the areas of health and safety and to complying with legal requirements and standards. (cf. [Leitbild – ALLEGA](#))
